

Our **juju** facials begin with a comprehensive consultation and skin analysis. Your esthetician will choose the appropriate organic products to create your customized facial.

Please advise your esthetician of any allergies, special requests or dietary restrictions, i.e. vegan, so we may accommodate your needs.

Your treatment includes:

- Step 1: cleanse
- Step 2: steam
- Step 3: exfoliate
- Step 4: extractions (when needed)
- Step 5: massage (facial, head, neck, décolleté, arms, hands and feet)
- Step 6: masque application
- Step 7: tone
- Step 8: moisturize

Organic Microderm

Now you can experience a natural alternative to traditional microderm-abrasion. The buffing agents used in organic microdermabrasion are organic grains, which are less harsh than conventional microdermabrasion crystals, and are highly therapeutic and chemical-free. Organic microdermabrasion is even suitable for people with sensitive skin.

ayurvedic

Marma Point Massage (60 min.)

Marma Point Massage begins with a brief assessment of the client to determine your specific constitution, followed by a massage addressing the Marma points that will help to unblock the flow of energy, detoxify the system and release muscular tension.

Ayurvedic Full Body Treatment (90 min.)

An enormously restorative treatment catered to your unique health concerns. After an initial assessment, you will experience a dry brushing exfoliation, warm herb infused essential oil massage, and an application of herbs chosen so your body may release toxins. The herbs are removed with a hot towel scrub and the treatment is completed with Shirodhara.

Shirodhara (30 min.) \$80

A mental relaxation therapy to dissipate stress and calm emotions. Warm herb infused oil is steadily streamed onto the sixth chakra/third eye point. This treatment brings even the busiest minds into a deeply relaxed and meditative state.

Ayurvedic Head and Upper Body Release (45 min.) \$75

An amazing stress reducer utilizing Ayurvedic Marma Points and essential oils to release head, neck and shoulder tension.

shiatsu

Traditional Shiatsu (60/90 min.)

Shiatsu is a Japanese healing art which aims to heal body, mind and spirit by balancing the flow of energy or qi throughout the body. Shiatsu uses touch, pressure, and meridian stretches to relax the nervous system and invigorate the body. Shiatsu is given on a futon mat and the recipient remains fully clothed.

Pre-Natal Shiatsu (60/90 min.)

Prenatal Shiatsu is comforting on both a physical and emotional level, and can help to alleviate the discomfort and stress experienced by many expectant mothers. The session is tailored to meet the needs of each stage of pregnancy. (2nd and 3rd trimesters only)

Japanese Warm Stone Shiatsu (60/90 min.)

Traditional shiatsu treatment incorporating warm stones as a means of further relaxing the body, encouraging the flow of qi through the meridians, and stimulating pressure points.

Feeling sluggish, stuck and fatigued? Lymph drainage massage uses gentle rhythmic movements to stimulate the lymphatic system resulting in excess fluid and waste being removed from the body while bolstering the immune system.

Thai Yoga Massage (60/90 min.)

\$95/\$125

Thai Yoga Massage is performed on a floor mat; the client is dressed in comfortable clothing allowing ease of movement and flexibility. No oils or creams are necessary. Thai yoga massage combines suitable yoga postures and penetrating massage into a profound healing system.

Reflexology (90 min.)

\$55

Based on an ancient Chinese therapy, reflexology involves manipulation of specific reflex areas in the foot, hands, and ears that correspond to other parts of the body. This ancient technique is used to reduce pain, increase relaxation, and stimulate circulation of blood and lymphatic fluids.

Body Treatments (75 min.)

\$120

Juju's organic exfoliating and relaxing full body treatments use organic sugar scrubs and detoxifying salt polishes to remove dry skin cells, stimulate cellular circulation and refine the texture of your skin. The body is then massaged and moisturized, leaving your skin feeling soft and polished. Choose from an aromatic selection of organic herb and flower essential oils and hydrosols to detoxify, stimulate and soothe your body from everyday stresses and environmental damage.
